Polychromatic AOM

Dear Liang,

Following to your request, I have the pleasure to submit you our technical and financial proposal regarding the products you are interested in.

1- Technical Specifications

See enclosed data sheets

2- Financial Proposal

Product	Reference	Qty	Unit Price (U.S.D.)
AOTFnC-400.650-TN	400-650 nm , Linear orthogonal polarization, Up to 8 channels Drive frequency range 74 - 158 MHz Aperture 3x3 mm ² (max beam diameter 2.5 mm) FWHM 1 nm @ 400nm, 4nm @ 633nm Separation angle > 4° Efficiency > 90 % per line First order output colinearity Temperature Stabilization (TN) Response time 1.5 µs / mm RF power < 1W	1	2 849,-\$

MDS8C-B66-22-74.158 (OEM 24 VDC driver)	8 Channels based on DDS OEM version, power supply 24 VDC 74-158 MHz Modulation inputs + BLK analog 0-5 V/10 Kohms or 0-10 V/10 Kohms USB Control	1	2 619,-\$
MDS8C-D66-22-74.158 (110-230 VAC driver)	MDS8C-D66-22-74.158 8 Channels based on DDS Laboratory version, power supply 110-230 VAC 74-158 MHz Modulation inputs + BLK analog 0-5 V/10 Kohms or 0-10 V/10 Kohms USB Control	1	4 083,-\$
RC03	Remote control for adjustments	1	209,-\$
CBL-SAM200SAM-RG223	CBL-SAM200SAM-RG223 RF cable SMA connectors, length 2 m	1	23,-\$
CBL-SCF200SCF-RG316	CBL-SCF200SCF-RG316 STAB, cable, SMC connectors, length 2 m	1	37,-\$

DELIVERY TIME = 4-6 weeks

3- Sales Conditions

- ❑ **Prices** : Our prices are quoted in \$ (Dollars), including transportation charges to your company in USA, and custom taxes (DDP "USA", INCOTERMS 2000).
- ❑ **Quotation is valid 30 days after reception.**
- ❑ **Warranty of goods:** 12 months after invoice date. (France Factory)
- ❑ **Payment conditions:** COD, by cheque or bank transfer.
- ❑ **General** : See general sales conditions ([General Sales Conditions](#))

I thank you for your confidence, and I remain at your disposal for any further question.

Best Regards,

Franck DARDE
Sales & Marketing Director
